MARCH 2026

GRANTS APPLICATIONS

This month we sent of for the latest round of grants. This time we are hoping to get our operational costs covered for the next 12 months.

This includes things like electricity, rent and some day-to-day expenses.

If we receive these grants it will take a lot of stress out of trying to fund the station ourselves and by sponsor requirements,

Our Treasurer is working additional grants to try and make the station fully funded by grants and then we can use sponsor contributions for upgrades and community projects.

We have several projects in mind but need the funding freedom to pursue more community projects.

DONATIONS

We now have two options online for listeners to donatate towards keeping our island voice operating.

Just visit 5kixfm.org and check out our **Go Fund Me** option by pressing the DONATE button or if that's not your thing, you can donate directly into our bank by visiting: <https://5kixfm.org/donations/>

NEW SHOW

On Thursdays at 2pm you can tune into a new show, **Through the Past Darkly**. A music show about various eras from the 20th century such as Woodstock, WWII, and much more.

Each week Geezer will take us though time and play selections of music and inform us of happenings of those times.

TRAILER FOR SALE

We are selling the 5KixFM BBQ Trailer as it is surplus to requirements.

This is a 6' x 4'6" steel trailer with a slide out BBQ on the rear which could be converted to a slide out work bench.

Registered. Two 9kg gas bottles.

\$2990

Proceeds to 5KixFM operations funds.
